MEMORANDUM FOR THE RECORD

SUBJECT:

1. and John B. Warner met with Donald Henderson of the Senate Foreign Relations Committee staff as a result of the Director's letter to Senator Fulbright responding to his query on the case. Also present were Mr. Guenther from G-2 and Colonel Goodwin from Army L&L.

3. It was also pointed out that for several years there had been a complete bar on briefing Fulbright scholars prior to trips behind the Iron Curtain and presently there are bars against such briefings for all Americans. This seemed to ease the situation in Mr. Henderson's mind.
